*** Group Classes are specific to BallyCara and are led by BallyCara practitioners. Please speak to your Care Partner for clarification on locations and availability

Cancellations: You may cancel delivery of services on any given day: there will be no fee if you give us at least 24 hours' notice. Full-service fee will apply if you give us less than 24 hours' notice. No GST payable on quoted prices.

Post Increments: Services are listed as a minimum service time and are then charged in 15-minute increments.

Budget: Your quarterly budget will only be charged for services you receive.

Co-contribution: You will not have to make an out-of-pocket payment (a co-contribution) for any 'clinical care' that you receive, which includes care management. You may be assessed by government as needing to make a co-contribution for 'independence' or 'everyday living' services.

Care Management: 10% of each participant's Support at Home quarterly budget will go into a pooled Care Management fund managed by Services Australia. Providers will use this fund to support care management needs, and separate charges for care management will no longer apply.

Package Management Fee: Providers cannot charge a separate Package Management fee. Instead, these costs (like travel, scheduling, and administration) will be included in the hourly rate or product cost for each service.
